PROFESSIONAL EXPERIENCE

Apr 2022 - Present

HR Generalist

Ather Labs | Gaming & Entertainment

Manage full-spectrum HR execution across recruitment, employee lifecycle operations, engagement, internal communication, employer branding, and HR data management across multiple office locations. Coordinate C&B-related administration, policy updates, employee documentation, contracts, and insurance processes.

- Manage recruitment, onboarding, offboarding, employee documentation, and HR data maintenance.
- Partner with managers to support performance, engagement, and retention.
- Drive employer branding through LinkedIn, Facebook, TikTok, and Threads.
- Organize monthly engagement activities and support internal communication across HN, DN, and HCM.

Hiring scale: approximately 100 hires in 2022 | 34 in 2023 | 34 in 2024 | 44 in 2025 | 30 in 2026

Jan 2020 - Apr 2022

HR Operations Officer

TCI Tech Vietnam | Product-focused technology

Managed recruitment operations while creating content for social and internal channels, maintaining employer branding touchpoints, and supporting employee engagement across teams. Coordinated employee documentation, contract administration, insurance processes, hiring-related reporting, and day-to-day HR operations.

- Managed the full recruitment cycle and coordinated branding activities with Vietnam and Malaysia teams.
- Created social media content and maintained official recruitment channels.
