# Duong Tran

**HR Generalist | HRBP | People Operations | Talent Acquisition**

(+84) 035 6975 819 | tranthuyduong97tchpbm@gmail.com | linkedin.com/in/duong-tran-hr-learning | duongduongblue.github.io/duong-tran-portfolio

## SUMMARY

HR Generalist with 7+ years across software, gaming and entertainment: full-cycle recruitment, onboarding, offboarding, employee engagement, internal communication, HR database management and employer branding across the Da Nang, HCM and Hanoi offices. Uses AI-powered HR workflows, workflow automation and AI agents with human review to document processes, build HR analytics and dashboards, and keep HRIS data accurate.

## EXPERIENCE

**HR Generalist - Ather Labs (Gaming & Entertainment) | Apr 2022 - Present**

- Manage end-to-end recruitment, onboarding, offboarding and HR database maintenance across the Da Nang, HCM and Hanoi offices.
- Partner with managers to support performance, engagement and retention.
- Drive employer branding through LinkedIn, Facebook, TikTok and Threads.
- Organize monthly engagement activities and internal communication across all offices.
- Coordinated an AI agent team to document and automate HR/Ops work, including a multi-page HR/Ops work portfolio with SOPs and handbooks.
- Built a 2022-2026 recruitment dashboard tracking sources, roles and offices; found referrals were the most efficient hiring source (public demo uses sample data).
- Automated recurring payment and contract tracking with AI agents: master tracking sheet, weekly expiry alerts, monthly review and a standard request flow, with every outgoing message human-reviewed.

**HR Officer - TC ITech Vietnam (IT Software) | Jan 2020 - Apr 2022**

- Managed the full recruitment cycle and coordinated branding activities with Vietnam and Malaysia teams.
- Created social media content and maintained official recruitment channels.
- Supported recruitment reporting, labor contract processing and PVI insurance administration.
- Organized company-wide internal events and supported office administration.

**HR Intern (Full-time) - Sun Asterisk Inc. (IT Software) | Jun 2019 - Nov 2019**

- Supported recruitment campaigns, onboarding programs, internal communication and HR documentation.

**Teaching Assistant (Part-time) - Broadway English Center | May 2017 - May 2019**

- Built communication, coordination and people support skills through student-facing work.

## SKILLS

- HR: end-to-end recruitment, employee lifecycle, onboarding and offboarding, employee relations and HRBP support, engagement and internal communication, employer branding, labor contract and insurance support.
- Data: HR analytics and people reports, dashboards (headcount, turnover, hiring), HRIS data accuracy, Google Sheets formulas and alerts.
- Tools: Google Workspace, Notion, Slack.
- Languages: Vietnamese (native), English (professional working proficiency), Chinese (HSK4).

## AI & AUTOMATION

- AI-powered HR workflows and workflow automation for HR and admin routines.
- AI agents / agentic workflows with human review: I set the rules and checkpoints and approve every output.
- Digitalization of HR/Ops knowledge into SOPs and handbooks.
- AI-assisted HR analytics: recruitment dashboard 2022-2026 with every number checked against the source sheet.

## EDUCATION

**Bachelor of Business Administration** - Danang University of Economics | 2015 - 2019

Certifications & learning: Advanced C&B Training; Human Resources Analytics; Foundations: Data; EB Training; TOEIC; HSK4.

## ACTIVITIES

- Executive Committee Member, Danang University of Economics Student Association (May 2016 - May 2018).
- Volunteer, Danang International Marathon (Jul 2017 - Jul 2018): event coordination and logistics.
